Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant is in receipt of a communication mailed July 26, 2005, which requires the undersigned to file a statement of the substance of an interview that took place on July 14, 2005.

During the interview, which was conducted by telephone, the undersigned summarized the invention for the Examiner and proposed providing various clarifying amendments to distinguish the claims over the art of record. Such amendments were

Appl. No. 09/833,944

Dated August 22, 2005

Reply to Office Communication of July 26, 2005

filed, along with a Request for Continued Examination (RCE), on July 18, 2005.

This submission is believed to be fully responsive to the above-noted communication. Moreover, based on the amendments presented in the above-mentioned amendments, independent Claims 10 and 18 are believed patentable over the citations of record. The dependent claims are also submitted to be patentable for the reasons given above with respect to the independent claims and because each recite features which are patentable in its own right. Individual consideration of the dependent claims is respectfully solicited.

The other art of record is also not understood to disclose or suggest the inventive concept of the present invention as defined by the claims.

Hence, Applicant submits that the present application is in condition for allowance. Favorable reconsideration and withdrawal of the objections and rejections set forth in the above-noted Office action, and an early Notice of Allowance are requested.

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.

If for some reason Applicant has not paid a sufficient fee for this response, please consider this as authorization to charge Ingrassia, Fisher & Lorenz, Deposit Account No. 50-2091 for any fee which may be due.

Respectfully submitted,

INGRASSIA FISHER & LORENZ
